

The new all-electric

Ford Capri

Ford

CAPRI PRODUCT HIGHLIGHTS

- > Soulful sports car for the family design continues the story of the iconic cult classic
- > Eye-popping colours include Vivid Yellow and Blue My Mind
- > Luxurious interior has a minimalist and digital feel, with soft touch materials and sculptured one-piece front seats
- > High specification comfort includes available keyless entry and start, heated

- front seats and steering wheel, dual-zone climate control and driver's seat with massage and memory function
- > Rule-bending SYNC Move¹ technology allows the 14.6-inch centre screen to slide smoothly up and down for the most comfortable viewing angle or simply to suit your sense of style
- > Smartphones integrate seamlessly using wireless Android Auto and Apple CarPlay² and available wireless device charging³

- > The ultimate car for a getaway has up to 572 litres of boot space,⁴ a foldable boot floor, a 17-litre MegaConsole beneath the front armrest and secret, secure storage in My Private Locker
- > 12 ultrasonic sensors – 5 cameras – 3 radars – support advanced driver assistance technologies including Assisted Lane Change⁵ and Clear Exit Warning⁵
- > CAPRI extended range RWD can drive more than 620 km⁶ on a single charge and 10-80 per cent charging takes approx. 26 minutes⁷ using a 185 kW DC fast charger for CAPRI extended range AWD
- > Up to 340 PS⁸ means 0-100 km/h acceleration in as little as 5.3 seconds

» If you want the perfect example of how Model e is transforming the Ford business in Europe, look no further than our new all-electric Ford Capri. A cutting-edge EV, designed and built in Europe – Capri has soul that can only come from a brand with genuine heritage «
MARIN GJAJA, COO, FORD MODEL E

CAPRI SPECIFICATION HIGHLIGHTS

3 series	CAPRI STYLE	CAPRI SELECT	CAPRI PREMIUM
Standard style and comfort highlights	• 19-inch alloy wheels • 17-litre MegaConsole centre storage • Adjustable 14.6-inch SYNC Move¹ centre screen with My Private Locker	CAPRI STYLE PLUS: • Massage driver seat • Heated steering wheel and front seats • Wireless smartphone integration	CAPRI SELECT PLUS: • 20-inch alloy wheels • Ambient lighting • B&O sound system • Hands-free tailgate
Standard driver assistance highlights ⁵	• Clear Exit Warning • IACC with Stop and Go • Rear-view camera		• Dynamic Matrix LED headlights with Glare-Free Highbeam
3 powertrains	OPTION 1	OPTION 2	OPTION 3
Driving range	• 170 PS ⁸ rear-wheel drive standard range	• 286 PS ⁸ rear-wheel drive extended range	• 340 PS ⁸ all-wheel drive extended range
10-80% DC fast charge ⁷	• 393 km (391 km UK) ⁹	• 627 km driving range ⁶	• 592 km driving range ¹⁰
Acceleration 0-100 km/h	• approx. 25 mins.	• approx. 28 mins.	• approx. 26 mins.
	• 8.7 secs.	• 6.4 secs.	• 5.3 secs.

CAPRI

» Bringing back a legend as revered as the Ford Capri is a big deal. We're excited that the new all-electric Capri is ready to bring some swagger to the world of EVs and introduce a whole new generation of drivers to the spirit of a cult classic «

JON WILLIAMS, GENERAL MANAGER, FORD BLUE AND MODEL E, EUROPE

Note: The information in this document reflects preliminary specifications and was correct at the time of going to print. However, Ford policy is one of continuous product improvement. The right is reserved to change these details at any time.

¹ Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

² Requires phone with active data service and compatible software. SYNC Move does not control 3rd party products while in use. 3rd Parties are solely responsible for their respective functionality. Android Auto is a trademark of Google LLC. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

³ Available Qi wireless charging may not be compatible with all mobile phones.

⁴ Cargo and load capacity limited by weight and weight distribution.

⁵ Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. It does not replace safe driving. See owner's Manual for details and limitations.

⁶ Based on full charge of Capri RWD extended range. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies due to factors such as temperature, driving behaviour, route profile, vehicle maintenance, lithium-ion battery age and condition.

⁷ Charge time based on manufacturer computer engineering simulations. The charging rate decreases as battery reaches full capacity. Your results may vary based on peak charging times and battery state of charge.

⁸ Maximum power output and torque output are independent attributes and may not be achieved simultaneously.

⁹ Based on full charge of Capri RWD standard range. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies due to factors such as temperature, driving behaviour, route profile, vehicle maintenance, lithium-ion battery age and condition.

¹⁰ Based on full charge of Capri AWD extended range. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies due to factors such as temperature, driving behaviour, route profile, vehicle maintenance, lithium-ion battery age and condition.

¹¹ Represents the lightest kerbweight assuming driver at 75 kg and full fluid levels subject to manufacturing tolerances and options, etc., fitted. Weights represent base model specification without panoramic glass roof.

¹² Max towing varies based on cargo, vehicle configuration, accessories and number of passengers.

¹³ If stop is longer than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

¹⁴ Lane-Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.
